

Legal information
Please keep this instruction manual for future reference. If you require any help or assistance please contact help@abptech.co.uk or visit 4gamers.net

Warranty
This product is guaranteed for a period of one year from the date of purchase. During this period if there is a defect due to faulty materials, or workmanship the retailer from whom you purchased it will replace it with the same or a similar model on production of your purchase receipt or proof of purchase. This guarantee does not cover defects arising from accidental damage, misuse or wear and tear, and is available only to the original purchaser of the product. This does not affect your statutory rights.

Important Safeguards & Precautions

- Children should always be supervised when using or fitting this product
- The battery pack and cable are for indoor use only
- Do not expose to dust, direct sunlight, wet weather conditions, high humidity, high temperatures or mechanical shock
- Avoid any unnecessary strain of the USB cable
- Never carry the unit by the USB cable
- Do not use if the Battery Pack or USB cable is damaged
- During use, the Battery Pack may become warm. This is quite normal and there is no need for concern
- Do not short out the battery pack or charging terminals
- Do not disassemble; there are no serviceable parts inside
- For external cleaning, use a soft, clean, damp cloth only. Use of detergents may damage the cabinet finish

Battery Care

- Once the battery is fully charged disconnect the USB charging cable from your controller
- Do not attempt to charge any other battery pack or device using the USB charging cable
- Ensure correct fitting of the battery pack
- Do not leave the battery on charge for longer than 8 hours
- We do not recommend leaving the battery on charge overnight or while unattended
- When the equipment is not being used for a prolonged period of time, the battery pack should be removed
- Never dispose of batteries in fire, as this can cause them to explode
- The battery pack is only to be fitted, removed and charged under adult supervision
- Non-rechargeable batteries are not to be recharged
- Do not short out the battery or charging terminals or carry batteries in your pocket
- The supply terminals are not to be short-circuited

Not recommended for children under 6 years of age. **MADE IN CHINA**

**Federal Communication Commission
Class B Interference Statement**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Canadian ICES Statements
Canadian Department of Communications Radio Interference Regulations**
This digital apparatus does not exceed the Class B limits for radio-noise emissions from a digital apparatus as set out in the Radio Interference Regulations of the Canadian Department of Communications. This Class B digital apparatus complies with Canadian ICES-003.

Règlement sur le brouillage radioélectrique du ministère des Communications
Cet appareil numérique respecte les limites de bruits radioélectriques visant les appareils numériques de classe B prescrites dans le Règlement sur le brouillage radioélectrique du ministère des Communications du Canada. Cet appareil numérique de la Classe B est conforme à la norme NMB-003 du Canada.
